

Photo Consent

Camp Tidnish is operated by Easter Seals Nova Scotia, which is a non-profit organization. We rely heavily on our fundraising efforts, donations, and community support, to keep Camp Tidnish affordable. We use photos and videos from the summer to promote our program and Easter Seals Nova Scotia. We also share them with our camper community, including parents, guardians, and campers.

Permission is hereby granted for photos and video to be taken of the camper and to be used in the best interest of Camp Tidnish, Easter Seals Nova Scotia and the camper.
